M. F. Burke, Esq., of Washington, has received the nomination for Circuit Judge in the Vincennes circuit. Mr. Burke is a man of splendid attainments, legal and literary. He is an Irishman by birth, and a graduate of one of the Dublin colleges. He emigrated to this country about the year 1840, and was a member of the Law School of the Indiana University at the session of '43-'50 when and where we became acquainted with him. As a clear headed, logical thinker and able debater, he has but few equals in the State. We wish him the most abundant success.—Corydon Democrat.

REINFORCEMENTS FOR COL. STEPTOE.—The Washington Union learns that the War Department has provided reinforcements for Col. Steptoe, which were to sail from New York last week. In addition to the troops to be sent, the department has purchased a large number of Sharp's best rifles, and an abundant supply of ammunition. It is thought that if the force under the command of Col. Steptoe had been equipped with this formidable weapon, the result of the fight would have been totally different.

Sixth District.

At the Democratic Congressional Convention at Indianapolis Martin M. Ray Esq., of Shelby county, was nominated for Congress in the first ballot. Robert L. Walpole was his principal competitor. Mr. Ray formerly belonged to the Whig party, but couldn't go fusionism. He is a fine speaker and possesses superior talents. There is little or no doubt of his election.—Ledger.

The Chicago Herald states that Senators Bright and Fitch are now on a tour through the Northwest. Mr. Bright, it says, left Cleveland on the 19th inst., with Hon. John Shively and Hon. John L. Dawson, en route for Lake Superior, and Dr. Fitch is on a visit to Minnesota.

The crops in Europe are unusually promising. In France they are very abundant. The reports from all parts of Great Britain are favorable. The English harvest last year was above the average. This year it will fully equal the last. The prospects for a European demand for grain for the next year are discouraging for our farmers.

Mr. Ten Broeck has been once again successful on the English turf; his horse Mimosa beat Mr. Dawson's Badsworth in a match for \$1,000 at New Market. Badsworth was the favorite at two to one, and kept the lead until near the winning post, when Mr. Ten Broeck's horse shot past him and won by two lengths.

Atlantic Telegraph Cable Laid.

NEW YORK, Aug. 6.
Atlantic Cable successfully laid. Niagara arrived at Trinity Bay yesterday. The cable will be landed to-day. The signal perfect throughout.

TRINITY BAY, Aug 5.

The Atlantic Telegraph fleet sailed from Queenstown on Saturday, July 17th, and met in mid ocean on the 28th. The cable was spliced at 1 o'clock P. M., on Thursday, the 29th, and the vessels separated, the Agamemnon and Valorous bound to Valencia, Ireland, and the Niagara and the Gorgon for the place where the latter arrived yesterday, and this morning the end of the cable will be landed.

It is 1,598 nautical, or 1,350 statute miles from the telegraph house at the head of Valencia harbor, and the telegraph house bay of Bull's arms, Trinity Bay, and for more than two-thirds of this distance the water is more than two miles in depth. The cable has been paid from the Agamemnon at about the same speed as from the Niagara.

The electrical signals sent and received through the whole cable are perfect. The machinery for paying out the cable worked most satisfactorily and was not stopped for a single moment.

After the cable has been landed and connected with the land line of telegraph, and the Niagara has discharged some of the cargo belonging to the telegraph company, she will go at once to St. Johns for coal, and then proceed at once to New York.

CYRUS W. FIELD.

NEW BEDFORD, Aug. 3.

The colored Convention took place here to-day. Resolutions were adopted for the protection of fugitive slaves, against the emigration of free colored persons, and in favor of sending colored children to the public schools. Also, recommending the harboring of fugitive slaves, and the organization of a vigilance committee to avoid imprisonment. Mr. Raymond moved the appointment of a committee of five to draft an address to the slaves of the South, recommending them to rise in their might and majesty.

WASHINGTON, Aug. 3.

In addition to steamers Water Witch, Fulton, and Harriet Lane, the brig-of-war Bainbridge, Perry, and Dolphin, the last three carrying sixteen guns, have been ordered to take part in the expedition against Paraguay.

A dispatch from General Johnson to the War Department states that the engineers are engaged in the selection of a site for permanent fortifications south of Salt Lake; farther than this, the advices contain nothing of special interest.
Secretaries Floyd and Thompson have returned to Washington.

MORE TO BE ADMIRER THAN THE RICHEST DIADEM

EVER

Worn by Kings or Emperors

WHAT? WHY A BEAUTIFUL HEAD OF HAIR. Because it is the ornament God Himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye beaver so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated pianist, Thalberg:

NEW YORK, April 19, 1858.

Dr. Wood—Dear Sir—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative it soon recovered its original hue. I consider your Restorative a very wonderful invention, quite efficacious as well as agreeable. I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwyllyddet."

Welsh Newspaper office, 13, Nassau st, April 12, 1858.

Dr. O. J. Wood—Dear Sir—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect, by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair. CHARLES CARDEW.

NEW YORK, July 25, 1857.

Dr. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.
J. G. KILBY.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds 1/4 a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and retails for \$3.
